Aqua Rx: A water workout that is easy to follow & easy on the joints.

Boot Camp- HIITRx: High intensity interval training (HIIT) is a type of cardio training in which you alternate short, very high intensity intervals with longer, slower intervals to recover. HIIT training not only helps performance, it also improves the ability of the muscles to burn fat.

Core Focus: This 60-minute class includes strengthening the abs, back, glutes and more to enhance core strength.

Early spin/ Spinning: The indoor cycling workout where you ride to the rhythm of powerful music. Take on the terrain with your inspiring team coach who leads the pack through hills, flats, mountain peaks, time trials, and interval training. Discover your athlete within - sweat and burn to reach your endorphin high.

Functional Fitness: An easy to follow yet challenging high/low impact workout for ALL AGES and fitness levels. Challenge yourself with intervals of strength and cardio for a full body workout. All levels are welcome.

Hard Core™: This program combines boot camp fitness with the hottest trend to hit the scene -- High Intensity Interval training to boost your metabolism to keep burning calories for hours after your workout is over.

PiYo: A low-impact, HIGH intensity workout that will burn crazy calories. You'll sweat, stretch, and strengthen—all in one. PiYo combines muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility of flowing yoga movements. You'll use your body weight to perform a series of continuous, targeted moves to define every single muscle—big and small.

Silver Sneakers: A national fitness program for older adults. The low-impact, whole body group fitness workout that uses balls, tubes, dumbbells, body weight and cardio machines to boost fitness and core strength. Functional strength is the main focus, working different sets of muscles to improve posture, leg strength and improve balance.

Step & Toning: This is a fast paced step aerobic class designed to improve your cardio and tone your muscles!

Total Body Fitness: A total body workout that incorporates strength training and cardio to help tone your body. Every class is different and fun! High energy, high intensity but also designed for every level!

Warm Water: A workout that may include cardio, resistance training, functional training exercises! You may go at your own level.
