GROUP FITNESS DESCRIPTIONS

AQUA RX

A water workout that is easy to follow and easy on the joints!

BARRE

A low impact, high intensity workout that will burn crazy calories! You'll sweat, stretch, and strengthen— all in one!

FUNCTIONAL FITNESS

An easy to follow yet challenging high/ low impact workout for all ages and fitness levels. Challenge yourself with intervals of strength and cardio for a full body workout.

STEP & TONING

This fast pace step aerobic class is designed to improve your cardio and tone your muscles.

BOOT CAMP HIITRX

High intensity interval training (HIIT) is a type of cardio training in which you alternate short, very high intensity intervals with longer, slower intervals to recover. HIIT not only helps performance, it also improves the ability of the muscles to burn fat.

SILVER SNEAKERS

A national fitness program for older adults. The low -impact, whole body group fitness workout that uses balls, tubes, dumbbells, body weight, and cardio machines to boost fitness and core strength. Functional strength is the main focus, working different sets of muscles to improve posture, leg strength, and improve balance.

SPINNING

The indoor cycling workout where you ride to the rhythm of powerful music. Take the terrain with your inspiring team coach who leads the pack through hills, flats, mountain peaks, time trials, and interval training. Discover your athlete within— sweat and burn to reach your endorphin high.

TAI CHI

This is an easy-to-learn program that consists of eight slow and controlled movements that can be performed from either a standing or seated position. Tai Chi helps slow down that progression of loss of bone density, improves balance, and relaxation as well as reduces the risk of falls.

CORE FOCUS

A simple yet exhilarating class geared towards core stability and strength.

HARD CORE

Bootcamp inspired routines that incorporate HIIT training to help boost metabolism and keep you burning calories long after your workout is completed!

RETRO AEROBICS

Join us for some throwback fun, with these simple choreographed Aerobic routines!

YOGA FIT

This low impact class will focus on increasing your flexibility, stabilizing your core, and increasing your range of motion!

WARM WATER

A workout that may include cardio, resistance training, and functional training exercises! You may go at your own fitness level.

MEDICAL FITNESS

DIFFERENCE
